forssa textile week 15.-18.8.2024 __nanna participates

mit Nanna

This year's "2. Forssa Textile Week" starts on (Thu) August 15. In the Spinning Mill Area all re-use renovated old factory-buidings are close by: Forssa Museum, Pattern Museum, Library, Restaurant and the Rykkeri Studio. It is only a 10-minute walk from the bus terminal. Last year the innovative textile-event in the textile-printing-town Forssa was launched with Japan as its guest/theme country. This year Sweden, the close-to-the-heart neighbor-county, is collaborating with a variety of textile contents. Please be sure to check for program updates here <https://www.forssatextileweek.fi>
