tampere, tallipiha: modus market 15.-16.6.24

with Nanna

Nanna and Lili (Bregenz, Austria) take part in Modus Market at Tallipiha, Tampere, Finland:

Modus ry was established in Tampere in 2001. In Finnish it is called "Pirkanmaan Muotoilu- ja Taideteollisuusyhdistys" (Association for Design and Industrial Art in Pirkanmaa). It fosters and promotes various aspects of design, visual arts and crafts. The city of Tampere supports its activities. In 2024 Modus ry received accreditation as an Erasmus+ organization.

Nanna is a Modus-member since 2023. Already twice she joined the large design, arts- and crafts event "Pirkanmaan Taidesuunnistus" (Pirkanmaa Art Navigation/ Orientation) <https://taidesuunnistus.net>, an annual spring happening in the large Pirkanmaa-area, during which artists and crafts-makers present themselves, showcase their talents and engage in dialogues with the public by e.g. offering workshops and giving talks.

The picturesque Tampere-venue, the historical stable-area of the former Finlayson textile factory of the 1850s, is the address of the "Modus Market" in mid-June. The outdoors Modus-members' sales-exhibition is open on (Sat) 15 June and (Sun) 16 June from 11am to 4pm. Nanna and Lili H., longtime cooperation-partners, take part in the activity. Lili's Africa-inspired jewellery and Nanna's textile-objects complement each other.

Everyone is warmly welcome to stop by, to explore the beautiful Tallipiha-setting. Come for a break in the popular café with the best cake of Tampere! The atmosphere of Tallipiha is magnificent. There are benches to sit on, and trees that provide for shade, if the weather is hot. Nanna and Lili are looking forward to seeing you!
