25 April - 14 May 2025

Nanna is pleased to announce that a jury chose her textile work for the upcoming group exhibition VALO (Light) during "Pirkanmaa muotoilee IX" (Pirkanmaa designs IX) starting late April in Tampere, Finland.

Galleria Saskia/ Gallery Saskia <https://tampereensaskiat.com/> is a reputable exhibition space in Nanna's hometown Tampere. It caters to high-quality contemporary art.

As a Modus ry member Nanna was eligible to compete for a space in the group exhibition. She turned in her not-yet-exhibited _changing mood piece that plays with layering and transparency for the VALO-call-for-entries. A catalogue is published of the show.

As soon as there is more information on this upcoming Tampere-event, it will be publish here.
