## haihatus-residency snapshot on 23.09.23

with Nanna

The "3x3" kick-off in Stuttgart (28.02.23) that presented our trio-team's plan to explore cultural textile heritage traces in Finland, Poland and Germany is taking shape in September at Haihatus Art Residency in Joutsa.

Our trio-team - Paulina Sadrak, Heike Ehrath and Nanna - is involved in textile interactions with the local community in Finland. We explore various traces, collect and craft. The collaboration with Anna-Liisa at the Joutsa chapter of the Finnish Crafts Association Taito is enriching the process-project "3x3: Grasp the Immaterial". Museums in Jyväskylä and Helsinki feed us with theoretical knowledge and exciting material examples.

The dialogue-event SNAPSHOT at Haihatus-Gallery entails communal interaction, workshops, talks and presentations. Visitors are invited to explore our explorations. We are eager to exchange thoughts, meet, listen and learn.

The wonderful Haihatus team and the fellow residents Santiago (Bolivia) and Hanna (Helsinki) are part of today's activity.

Our trio-team received EU-funding in the program Creative Moves Europe in the sector artists and cultural professionals.
